

You will get the most out of InvestWorks® by getting the most out of your hardware and software. Here is your optimal set-up:

Manager Research

InvestWorks® Technical Requirements

Hardware

Any desktop, laptop, tablet, or mobile device configuration which supports the Internet Connection, Browser, and 3rd-party Applications outlined here. Monitor Resolution for Desktops should be 1028 X 768 or higher.

3rd-party Applications

Using InvestWorks' "Export to Excel" feature requires Microsoft Excel 2003 or higher. Viewing PDF versions of charts and reports requires Adobe Acrobat Reader 8 or higher, or a compatible PDF reader.

Internet

A wired or wireless broadband connection such as T1, Cable, or DSL. For best performance, JavaScript MUST be enabled and you should disable script debugging in your browser. Enable caching if you're using Internet Explorer.

Browser

HTML5-capable web browser such as:

- Microsoft Internet Explorer 10 or higher
- Google Chrome 10 or higher
- Mozilla Firefox 10 or higher
- Opera 12 or higher
- Safari 5.1 or higher
